

Remarks

These remarks are set forth in response to the Final Office Action. Presently, claims 1 through 20 are pending in the Patent Application. In the Office Action, claims 1-8, 12-13 and 15-20 have been rejected on cited art. The Examiner has indicated, however, that claims 9-11 and 14 are objected to as being dependent upon a rejected base claim and otherwise are allowable. In response, the Applicant has cancelled the rejected claims and the Applicant has amended claims 9-11 and 14 to incorporate all limitations of the intervening claims. Accordingly, this Application is believed to be in condition for allowance and such action is respectfully requested. The Applicants request that the Examiner call the undersigned if clarification is needed on any matter within this Amendment, or if the Examiner believes a telephone interview would expedite the prosecution of the subject application to completion.

Respectfully submitted,

Dated: October 26, 2007
